SPEND A DAY
WITH THE
WITCH of LIFE!

CAPTCHAVOGUE

PHEW!!!

Getting across the finish line was a process but we finally did it-- major major props as always to Pine, the amazing co-admin of this project, without whom Captchavogue would be nothing.

Special thanks to everybody who participated this year and your infinite patience! We tried something new and you all knocked it out of the park. Thank you for your continued support of this zine!!
